Please provide your feedback about the webinar (what did you like most, which information you found particularly useful, etc.). *

Masha did a great job sharing a lot of valuable info and her first hand experience. I liked the practical examples given to us which ads are acceptable and which will get rejected including the tips and tricks how to get ads accepted by social media platforms. I feel overwhelmed with the amount of info given to us during the webinar so I will definitely have to re-watch the webinar several time.

Do you have any suggestions for our future webinars? *

No. Keep up the good work :)
